Extra Credit — Career Fair

Due: October 3, 2018

This assignment focuses on job opportunities.

Go to the Career Fair and meet with at least 3 companies. Obtain answers for the list of questions below. Then write a short report summarizing your impression of each company. Be sure to answer whether you would work for them or not and why.

Questions for each company:

1. How much research will you have done on each company?

2. Work environment?
   (a) Team vs individual
   (b) Development processes used?
   (c) Technology used? (tools, languages, platforms, etc.)

3. Application domain? (e.g. finance, enterprise, embedded systems, automotive defense, etc.)

4. Typical SW development tasks? (e.g. requirements engineering, design, coding, testing, maintenance, etc.)

5. Duration of SW projects? (e.g. 6 months, 1 year, 2 years, 5 years, etc.)

6. Others?
