Vector vs Linked List
3:04 PM
What are the main differences between these two? And what are the pros and cons of each. For project 3, would it be more efficient to just use a vector or go with a linked list?

Specific topics for final
2:57 PM
Although I'm aware of the final being cumulative, are there any topics that will carry more weight than the previous ones? Perhaps, the topics that were done after the 2nd mid...

Pointers
3:06 PM
Is anyone else having a very difficult time understanding pointers? I have been trying to wrap my head around them for a while now and just can't seem it figure them out.
