Project Overview

- In-Class Questions and Results
- Record Student Responses
- Forum to Further Academic Discussions
- Automatic Attendance
System Architecture
Quiz on Friday has been moved. The quiz over ray tracing and OpenGL will be next week, **Tuesday the 12th.**

Problem Solved
Thanks for the help everyone!

Study Group
Would anyone like to meet to prepare for the quiz Friday?

Homework 2 Reminder
A lot of you have forgotten to change the app name from "app_name" to your username. If you were one of these forgetful souls, please resubmit.

Problems with Visual Studio
It is brought to my attention that many of you are having trouble with step 8. Make sure you are using version **5.0** of OpenGL plugin.

Mobile Questions

What did you do over the summer?

Question 1
Describe the purpose of evolution.
Web Question View – Short Answer

[Diagram showing bar charts with A, B, and C categories and results]

- A: [Result value]
- B: [Result value]
- C: [Result value]
Web Beacon Configuration

## Beacon Location
- Location (I.E. EB1340)

## Beacon Signal

    - 📚
What are you most excited to learn about in this course?

- Matrix math and OpenGL
- Matrix math and OpenGL
- How to create computer graphics using physics
- I am excited how to make 3D models for games.
- How to animate realistic hair physics.
What’s left to do?

• User Interface Refinement
• Rigorous User Testing
• Project Video
Questions?
