The new Firefox

Fast for good.

With 2x the speed, built-in privacy protection and Mozilla behind it, the new Firefox is the better way to browse.

Download Firefox

We make the internet safer, healthier and faster for good.
In-product Page Styling
What’s left to do?

• Project Video
• Expand testing suite for maintainability of codebase
• Fix minor formatting bugs found in different operating systems
• Continue code review process to land implemented features into the Nightly build of Firefox
