Michigan State University
Fall 2018
Project Overview

- Users currently have only one method to access TechSmith’s Video Review application
- The integration will allow users to operate within Slack environments
- Preserve all TechSmith Video Review functionality within Slack
- End result will give users more versatility
  - Creating, editing, reviewing videos
  - Mobile device capabilities
System Architecture

- Slack
- Azure
- Docker
- TechSmith
- Video Review Website
- Video Review API
- Slack Integration (C#)
- Rest API (C#)
Creating Review Within Slack
Sync Existing Review To Slack
Comments To Slack
Dynamic Users
What’s left to do?

• Unit Testing
• Storage of Comment Timestamps
• Slack Command For Adding New Reviewer
