Requirements Elicitation Exercise
Homework HW2-Part2

Review the requirements document that has been assigned to you. Then complete the following tasks.

1. **By Tuesday, Feb. 13**, review the requirements document and prepare a list of questions for the “customer” (the authors of the requirements document), as if you were the requirements engineer (RE) tasked with eliciting requirements from the “customer”.

2. **By Tuesday, Feb. 13**, review the Requirements Document Review Guidelines to mark up the requirements document assigned to you.

3. **In class, Thursday, Feb. 15**, Use the list of questions prepared for Item 1, you will engage in a requirements elicitation meeting with the “customers” to obtain answers/clarification for your questions (from Item 1). One team member should serve as scribe, while the other serves as the RE performing the elicitation. The scribe should record the responses from the customers. As appropriate, if additional questions (putative and/or clarification questions) arise during the elicitation process, then the scribe should include them in the transcript of the elicitation process.

4. **BEFORE Tuesday class time, Feb. 20,**
   a. Submit a list of revised requirements based on the elicitation process.
   b. Submit the transcript from the elicitation process

5. **By Friday 5:00 pm, Feb. 23**, submit Part 1 of HW2, completing Items 1-3 for the requirements specified in item 4.
