

List of CSE Computing Resources

These can all be accessed with your CSE account

General:

List of CSE Labs: <http://www.cse.msu.edu/facility/access/labs.php>

CSE **FREE** Software: <http://www.cse.msu.edu/facility/software/>

All Microsoft software for **FREE**: http://msdn05.e-academy.com/elms/Storefront/Home.aspx?campus=msu_cs

500 Page Print Quota – Check Here:

<https://secure.cse.msu.edu/printquota/printquota.cgi>

100 MB Disk Space – Instructions to check Here:

<http://www.cse.msu.edu/facility/access/quotas.php>

Computer Names and Locations: <http://www.cse.msu.edu/facility/info/names.php>

Mail: (you@cse.msu.edu)

Webmail: <http://webmail.cse.msu.edu/>

Setup for client: <http://www.cse.msu.edu/facility/howto/outlook/>

Note: for client setup: <http://www.cse.msu.edu/announce/emailchanges.php>

Servers and Usage:

Terminal Service (Remote Desktop): <http://www.cse.msu.edu/facility/w2ktsc/>

- Short URL: tsserv.cse.msu.edu

Connect to linux/unix systems with ssh for windows:

<http://www.cse.msu.edu/facility/howto/ssh/#winssh>

All CSE Servers: <http://www.cse.msu.edu/facility/info/equipment.php>

Note: Primarily use arctic (arctic.cse.msu.edu) for shorter tasks, and pacific (pacific.cse.msu.edu) for longer tasks and when arctic is really slow due to many classes having projects due the next day
