Please answer the following questions. If you answer "yes" to any of the questions, please provide details on the back of this application. Affirmative answers are not an automatic bar to your consideration for a volunteer position: the nature and date of the offense(s) will be taken into account.

Have you ever been convicted of, pled guilty to, or pled nolo contendere (no contest) to any crime?	
Have you ever been removed from or voluntarily resigned from a position of authority as a result of charges of dishonesty, moral turpitude, or assault?	

I certify that the statements in this application, and in any attachments, are true and correct to the best of my knowledge. I also certify that I have not withheld any information that would effect my application unfavorably, if disclosed. I understand that any omission of facts or misrepresentation will result in my elimination from consideration for any volunteer position, or following acceptance of service, will be cause for the immediate termination of my relationship with the Mason East Side Soccer Club.

I willingly consent to the completion of a background investigation, and I authorize the Mason East Side Soccer Club and its agents to investigate my character, personal history, and police records to determine my suitability as a volunteer working with children. I understand that such an investigation may also include a check of my driving record and criminal history.

I hereby release and hold harmless the Mason East Side Soccer Club and its agents from any liability or damage resulting from the investigation of my background.

I have read and will adhere to the Mason East Side Soccer Club's Policy on Abuse. I understand that any inappropriate conduct is grounds for immediate dismissal.

I acknowledge that I have read and understand the above application and release, and that I sign this form voluntarily.
