

Ronald Nussbaum

CONTACT	Department of Computer Science and Engineering Michigan State University	mobile: 616.617.9290 e-mail: ronald@cse.msu.edu
INTERESTS	Graph theory, algorithms, digital evolution, data mining, and social networks.	
EDUCATION	Michigan State University , East Lansing, Michigan <i>Doctor of Philosophy</i> Advisor: A-H Esfahanian	2008 – present
	Michigan State University , East Lansing, Michigan <i>Master of Science</i> Advisors: A-H Esfahanian, Pang-Ning Tan Thesis: Graph-based Email Prioritization	2006-2008
	Grand Valley State University , Allendale, Michigan <i>Bachelor of Science</i>	2004 – 2006
PUBLICATIONS	Ronald Nussbaum, A-H Esfahanian, and Pang-Ning Tan, “History-Based Email Prioritization”, <i>To appear in the ASONAM 2009 proceedings published by IEEE Computer Society</i> .	
	Jerry Scripps, Ronald Nussbaum, Pang-Ning Tan, and A-H Esfahanian, “Link-based Network Mining”, <i>Structural Analysis of Networks</i> , Matthias Dehmer (Eds.), Birkhuser Publishing, 2009.	
	Ronald Nussbaum, A-H Esfahanian, Pang-Ning Tan, “Graph-based Email Prioritization”, Technical Report MSU-CSE-08-33, Computer Science and Engineering, Michigan State University, 2008.	
EXPERIENCE	H-Net , East Lansing, Michigan <i>Programmer</i> Web development for the H-Net website.	2007 – present
	Michigan State University , East Lansing, Michigan <i>Teaching Assistant</i> Held recitation sessions and graded for CSE260: Discrete Structures in Computer Science.	2007
	Norseman Games , Grand Rapids, Michigan <i>Programmer</i> Software development for The Realm Online.	2005 – 2006
SKILLS	C, C++, Java, PHP, Perl, Python, SQL.
