SUPPLEMENTAL APPLICATION FOR GRADUATE ADMISSION
Department of Computer Science & Engineering
Michigan State University

Name ____________________________________________________________
last    first    middle

Current Address ____________________________________________________________
________________________________________________________________________
________________________________________________________________________

City ____________________________________________ State ____________________________ Zip/Postal code ____________________________ Country ____________________________

Phone Number ____________________________

Email Address ____________________________ ____________________________

Sex: Female    Male

Degree applying for:  MS    PhD  Semester and Year applying for: ____________________________
Semester ____________________________ Year ____________________________

NOTE: This form is required by the Department of Computer Science as a supplement to the University application for admission to graduate study. Return this form to the Student Records Secretary, Department of Computer Science, 3115 Engineering Bldg., Michigan State University, East Lansing, MI, 48824-1226. PLEASE PRINT OR TYPE CLEARLY.

All applicants are required to take both the general GRE and the advanced GRE (Graduate Record Examination) and have the results sent to the Student Records Secretary, Department of Computer Science, Michigan State University. For MS applicants, the advanced GRE should be taken in Computer Science or a closely related field, but for PhD applicants, an advanced GRE must be taken in Computer Science. Information on GRE may be obtained by writing to Educational Testing Service, Princeton, New Jersey 08541. The Graduate Record Examination is given at many times and places throughout the world.

All applicants please check the appropriate space below:

☑ A copy of my general GRE score is enclosed (or has been sent to MSU).

☑ I will take the general GRE on _______________ and will arrange for scores to be sent to you as soon as they are available.

☑ A copy of my advanced GRE score is enclosed (or has been sent to MSU).

☑ I will take the advanced GRE on _______________ and will arrange for scores to be sent to you as soon as they are available.

The following applies to International applicants only:

☑ A copy of my TOEFL score is enclosed (or has been sent to MSU).

☑ I will take the TOEFL on _______________ and arrange for the scores to be sent to MSU.
Attach a copy of your statement of purpose outlining your plans for graduate study and your professional career. (Item #26 of the International Application and Item #27 of the Domestic Application).

List your experience in the computer field, including length of time, duties, computer languages used and types of programs written.

List course(s) currently taken that would not appear on your transcript.

Please check your current interest in any of the following area(s).

☐ 1. Artificial Intelligence & Knowledge-Based Systems
☐ 2. Database Systems
☐ 3. Genetic Algorithms
☐ 4. High-Speed Networking
☐ 5. Parallel and Distributed Computing
☐ 6. Pattern Recognition and Image Processing
☐ 7. Software Engineering
☐ 8. Theoretical Computer Science
☐ 9. Multimedia
☐ 10. Graphics
☐ 11. Robotics
☐ 12. Other: ____________________________________________________
